BABY LOSS AWARENESS WEEK,

9th-15th October 2021

Now in its 19th year, Baby Loss Awareness Week aims to raise awareness of the key issues around pregnancy and baby loss in the UK. Throughout the week, bereaved parents, their families, and their friends unite to commemorate the lives of babies who died during pregnancy, at or soon after birth and in infancy.

The Week is also a platform to call for tangible improvements in policy, research, bereavement care and support. If you need support following baby loss, help is just a click, text, or call away.

If you've been affected by [Miscarriage](#), [Abortion](#) or [Stillbirth](#) ring the National Helpline on 0808 8025433 or text 07860 077339 . Further information from <https://blr.lifecharity.org.uk/>
