RESTORE LIFE-SAVING AID

This Lent, SCIAF invites you to stand with the world's poorest communities as UK aid faces further devastating international aid cuts. Life-saving support is now under threat, including clean water provision, sanitation, healthcare, and recovery for families affected by conflict and climate change. As people of faith, we are called to act against injustice. Please visit sciaf.org.uk/wee box to take action and urge the UK Government to protect life-saving aid. **Next weekend there will be a special collection at all Masses for SCIAF.**
