PROJECT WELLSRING

As you heard me speaking last week in the sermon the Bishop is proposing that all Parishes in the Diocese be part of this new Pastoral Initiative, called Project Wellspring. The finer details of this new Project are still being ironed out and put together. As soon as we receive definite word and concrete proposals I shall, of course, put this to the Parish. The proposed date for the roll-out of Project Wellspring is 11th February which is a Sunday, when we should be able to bring you the "Vision Statement"

SYNODALITY

In keeping with the wishes of Our Holy Father, Pope Francis, the Diocese calls all of us to be involved in the Synodal Process in which we are called to discern the will of God for the future of the Church by opening our lives to the prompting of the Holy Spirit and open and honest dialogue among ourselves. Last year, the parish engaged in this with mixed response. I am hoping that some parishioners may wish to be part of the second Session of Synodality. This will take place on 2 sessions during the opening weeks of Lent, and details to follow.
