

The sacred days of Holy Week lead us to celebrate that which is central to our faith, the great events of Christ's life, His Death and Resurrection. From these divine mysteries the church draws her life. We are delighted to welcome into our parish family those new members who will be baptised and receive the other sacraments of salvation in these holy days. May this be an opportunity for all of us to open our lives once again to our loving Saviour who with love beyond all telling gave His life for us and won for us Eternal Life.

With every Easter blessing to you
and your family,
Father Doyle
